c. A railroad employee stated that no new troops and materiel had arrived but one train with ration supplies and one train with ammunition and fuel had arrived every week since early July 1949.

2. ZWETTL (O 49/R 42)

a. The Soviet kommandatura with one major, one captain, one first lieutenant and 14 EM was located at 7 Stalin Platz (formerly Franz Josef Platz).

b. With the exception of the DOELLERSHEIM troop training grounds, the town and neighborhood of ZWETTL were not occupied by Soviet troops.

 Comment:

The report does not furnish a clear picture on the troops still engaged in maneuvers at the DOELLERSHEIM troop training grounds. It can be assumed, however, that the mass of both the 13th Gds Mecz Div and the 95th Gds Itz Rifle Div and CPQ units of the Central Group of Forces were still at the troop training grounds in mid-August 1949.
